

The neuroXRehab Dissemination Conference Grant

The neuroXRehab Dissemination Conference Grant supports an oral presentation of research within the scope of the Action by an Action participant at a high-level conference that is not organised by the COST Action. This presentation should significantly increase the visibility of the Action in the research community, contribute to increasing visibility of the presenter, and attract additional participants and stakeholders to the COST Action. It must disseminate results relevant to end-users at high profile conferences in fields relevant to the Action.

The conferences listed below are relevant to the Action, but the neuroXRehab Dissemination Conference Grants are not restricted to them.

XR4Rehab <https://xr4rehab.org/>

ICVRAT - <https://www.icdvrat.com/2026.htm>

WCNR - <https://wfnr-congress.org/>

INS meetings <https://the-ins.org/meetings/future-ins-meetings/>

Applications can be submitted at any time. However, they must be submitted at least 30 days before the start of the conference. The confirmed acceptance of an oral presentation must be submitted with the application.

No deadline: Continuous call for applications. The call closes when the allocated sum for this grant period has been granted.

More details for applications are provided in our website <https://neuroxrehab.com/>
