

## 1. Call from NeuroXRehab for ITC conference grant applications

**Are you a researcher or innovator from an Inclusiveness Target Country (ITC)? Do you want to attend an international conference to give an oral presentation on your work on XR for the rehabilitation of spatial neglect and related disorders?**

Our first call for applications for the Inclusiveness Target Country (ITC) Conference Grants is now open. NeuroXRehab is offering support (up to 1,000 €) to attend a conference and present your work as an oral presentation.

To be eligible, you must be a member of neuroXRehab and affiliated with a legal entity in a COST Inclusiveness Target Country (ITC) or Near Neighbour Country (NNC)\*. The work you present must be relevant to the scope of NeuroXRehab. The grant can contribute to travel, accommodation, and subsistence expenses, as well as registration fees.

\*The researcher/innovator must be affiliated to a legal entity in a [COST Inclusiveness Target Country \(ITC\) or region or Near Neighbour Country \(NNC\)](#).

The conferences listed below are relevant to the NeuroXRehab, but ITC conference grant applications are not restricted to them.

XR4Rehab / ISVR conference <https://isvr.org/wcwr-2026/>

ICVRAT <https://www.icdvrat.com/2026.htm>

WCNR <https://wfnr-congress.org/>

INS meetings <https://the-ins.org/meetings/future-ins-meetings/>

Applications can be submitted at any time. However, they must be submitted at least 30 days before the start of the conference.

**No deadline: Continuous call for applications. The call closes when the allocated sum for this grant period has been granted.**

More details for applications are provided here: <https://neuroxrehab.com/grants/>
